

PRESIDENT BARACK OBAMA:

EVIL SPOKEN OF

INTRODUCTION

A dangerous climate has been created in the United States of America for President Barack H. Obama and the members of his family. Very influential people within America's political arena have targeted the First Family with what the **Honorable Minister Louis Farrakhan** referred to as an "avalanche of hatred."

President Obama has been called vile names, and both he and his wife have been referred to in words and characterized in graphical depictions in a disgraceful manner never before accorded an American president and first lady.

In one reprehensible e-mail sent by Republican Kansas Speaker of the State House Mike O'Neal, he invoked portions of Psalm 109:8, which says in part, "Let his days be few; and let another take his office" and "May his children be orphans and his wife a widow." In another writing, an influential member of the media advocated the president's assassination by Israel's Mossad.

GOP Republican presidential candidates Newt Gingrich and Rick Santorum, leading Jewish congressional representative Eric Cantor (R-Va.), prominent Jewish congresswoman Ileana Ros-Lehtinen (R- Fla.), Senate Majority Leader Harry Reid (D-Nev.) and former U.S. President Bill Clinton are but a few whose shrill voices have contributed to a cacophonous chorus of extremism and intolerance.

This report, compiled by the Nation of Islam Research Group (NOIRG), is a brief for students, researchers, members of the media and fair-minded citizens to see how the "mask of civility" has been removed, making what appears to be escalating levels of racial conflict inevitable.

President Obama: Evil Spoken of

Extreme Language and Insults

Presidential candidate **Newt Gingrich**

said that Obama's policies are "a very serious threat to our way of life." He added that "The secular socialist machine represents as great a threat to America as Nazi Germany or the Soviet Union once did."

Jewish Republican Cong. **Eric Cantor** of Virginia

"In an effort to ingratiate our country with the Arab world, this administration has shown a troubling eagerness to undercut our allies and friends." He said that the dispute "jeopardizes America's national security."

Cong. **Ileana Ros-Lehtinen**, leading
Rep. on Foreign Affairs Comm.

The Obama Administration "undermine(s) both our allies and the peace process, while encouraging the enemies of America and Israel alike."

Sen. Majority Leader **Harry Reid**

described the president before his election as "light-skinned," "with no Negro dialect, unless he wanted to have one."

Minnesota State Sen. **Mike Parry**

a GOP Senate candidate, was found to have scrubbed several tweets from his Twitter account, including one that described Obama as a "power hungry arrogant black man." "My opinion is that our president is arrogant and angry. The fact is that he is a black man."

He forwarded an email to fellow lawmakers that called Michelle Obama “Mrs. YoMama” and included a photo comparing her to the Grinch. He referred to Pres. Obama in a Bible verse (Psalm 109:8):

Kansas Speaker House
Mike O'Neal (R):

O'Neal issued an apology, but said he would not be resigning.

Let his days be few; and let another take his office

[But the rest of Psalm 109 says this]:

May his children be fatherless and his wife a widow. May his children be wandering beggars; may they be driven from their ruined homes.

May a creditor seize all he has; may strangers plunder the fruits of his labor. May no one extend kindness to him or take pity on his fatherless children.

O'Neal forwarded this prayer with his own message: “At last — I can honestly voice a Biblical prayer for our president! Look it up — it is word for word! Let us all bow our heads and pray. Brothers and Sisters, can I get an AMEN? AMEN!!!!!!”

South Carolina

U.S. Rep. **Lynn Jenkins**, R-Kan.

Arlington, TN, Mayor

The *Merced Sun-Star* newspaper revealed that Frago sent several racist e-mails, including a comparison between Barack Obama and O.J. Simpson and a crack about Michelle Obama posing in National Geographic.

Atwater, Calif.
Councilman
Gary Frago

U.S. Rep. **Jim Sensenbrenner**, R-Wisconsin

told church members at a Christmas bazaar that our first lady has a “big butt.” He was heard complaining loudly at Reagan National Airport in Washington that Michelle Obama should practice what she preaches with her “Let’s Move” campaign, promoting healthy eating and exercise habits. “She lectures us on eating right while she has a large posterior herself,” he complained on the phone.

Former President **Bill Clinton**

told the late Sen. Ted Kennedy, “A few years ago, this guy [Obama] would have been getting us coffee.” Clinton also called Obama’s run for the White House “the biggest fairy tale I’ve ever seen.”

Marilyn Davenport, member of the Orange County California Republican central committee

resigned after she forwarded an email in which Pres. Obama’s face is superimposed on a chimpanzee’s.

sent out an e-mail with image of Obama as a “witch doctor,” dressed in a loin cloth and with a bone through his nose. Underneath the picture were the words “Obama Care: Coming Soon to a Clinic Near You.”

 **BAMA CARE**

Sherri Goforth, legislative aid for Tenn. state Sen. **Diane Black**,

was reprimanded in June for forwarding an e-mail image showing all the presidential portraits, with Barack Obama appearing only as a set of white eyes on a black background. She later said that she only felt bad about sending it to the wrong list of people.

Geraldine Ferraro, one-time Democratic VP candidate (now deceased),

while working on Hillary Clinton’s presidential bid said, “If Obama was a white man, he would not be in this position.” Ferraro told ABCNews.com that she stands by her comments.

Tennessee RNC chairman **Chip Saltsman**

sent out a CD of “Barack the Magic Negro” as a Christmas present, and refused to apologize.

U.S. Rep. **Geoff Davis**, R-Ky.

said, “That boy’s finger does not need to be on the button.”

Dianne Jones, a vp of the Collin County Texas Republican Party

forwarded an e-mail to area Republican clubs calling a state-sponsored firearm tax “another terrific idea from the black house and its minions.”

After a friend declared, “obama bin lauden is the new terrorist....muslim is on there side...need to take this country back from all of these mad coons..... and illegals” [sic] on Shay’s Facebook wall, Shay responded, eight minutes later, “You tell em Eric! lol.”

Bobby May, treasurer of the Buchanan Cty. (VA) Republican Party

wrote a column for the *Virginia Voice* shortly before Obama’s election questioning whether Obama would change the American flag to include the Islamic symbol or divert more aid to Africa so “the Obama family there can skim enough to allow them to free their goats and live the American Dream.”

Sen. **Rick Santorum** (R-PA)

In Lady Lake, Florida, Santorum was confronted by a questioner who said: “I never refer to Obama as President Obama because legally he is not. He constantly says that our Constitution is passé, and he ignores it, as you know, and does what he darn well pleases. He is an avowed Muslim and my question is, why isn’t something being done to get him out of government? He has no legal right to be calling himself president.”

Santorum responded: “Well, look, I’m doing my best to get him out of the government right now...And you’re right about how he uniformly ignores the Constitution. He did this with these appointments over the recess that was not a recess, and if I was in the United States Senate, I would be drawing the line.”

Rush Limbaugh

said Obama was “behaving like an African colonial despot” and called Obama an “angry black guy” a month later. Played “Barack, the Magic Negro” to the tune of “Puff the Magic Dragon” on his show.

He resigned and claimed that he was "unaware of the racial stereotype that black people like watermelons."

Republican Cong. **Joe Wilson**

shouted "He Lies!" at Obama's speech to Congress (Sept 9, 2009).

Glenn Beck

said the president was racist. While discussing the arrest of Black Harvard professor Henry Louis Gates Jr., Beck said Obama had repeatedly shown that he is "a guy who has a deep-seated hatred for white people or the white culture. I don't know what it is." When it was noted that Obama's administration was largely white he continued, "I'm not saying he doesn't like white people, I'm saying he has a problem. This guy is, I believe, a racist."

put out a newsletter with an image of “Obama Bucks” – food stamps with Obama’s head on a donkey surrounded by fried chicken, watermelon, Kool-aid, and ribs.

Florida GOP Leader **David Storck**

forwarded an e-mail written by GOP volunteer **Ron Whitley** that said, “I see carloads of black Obama supporters coming from the inner city to cast their votes for Obama. This is their chance to get a black president and they seem to care little that he is at minimum, socialist, and probably Marxist in his core beliefs. After all, he is black — no experience or accomplishments — but he is black.”

President Obama's Jewish Assassins

Despite President Barack Obama's UNQUALIFIED statements of unwavering support for Zionism and the state of Israel, the owner of the *Atlanta Jewish Times*, **Andrew Adler**, wrote that Israel should consider

“giv[ing] the go-ahead for U.S.-based Mossad agents to **take out a president** deemed unfriendly to Israel in order for the current vice president to take his place, and forcefully dictate that the United States' policy includes its helping the Jewish state obliterate its enemies.”

Then Adler wrote this:

“Yes, you read ...correctly. Order a hit on a president in order to preserve Israel's existence. Think about it. If I have thought of this Tom Clancy-type scenario, don't you think that this almost unfathomable idea has been discussed in Israel's most inner circles? How far would you go to save a nation comprised of seven million lives ... Jews, Christians and Arabs alike?”

A prominent American Jew is here suggesting the **ASSASSINATION of Barack Obama**. The Secret Service was alerted but took no action. Adler was not arrested or sent to Guantanamo, as other “terrorists” have been. He resigned as editor from that Jewish newspaper but he remains the publisher and owner.

His Jewish brethren criticized him, but it is yet unknown whether they objected because Andrew Adler made an abhorrent threat against the first Black president, or because he exposed a plot too early.

Adler made another point that the media and his Jewish brethren have never addressed: What is the **Israeli Mossad** doing “based” inside America?
