

# The Real War Is Against The Nation of Righteousness

## Conflict in Ukraine exposes Satan's Ultimate Aim

by Dr. Ridgely Abdul Mu'min Muhammad | NEWS/ANALYSIS

**“We are in a world that is passing out of existence—and she is putting up a fight (war) to destroy the nation of righteousness. Be aware! To try to oppose the success of Allah’s Truth only hastens the doom of falsehood and its teachers. The archdeceivers force war against themselves. Their ultimate aim is to do as their people have always done—try to destroy the Preacher of Truth and those who believe and follow him.”**

—*The Fall of America*

by *The Honorable Elijah Muhammad*

In last week’s article we noted that it was quite convenient to start a war in Ukraine in order to divert the world’s attention away from COVID-19. The “war” in Ukraine is being blamed for sky high food, gas and utility prices; the threat of a nuclear war with Russia has been reborn; meanwhile vaccine and mask mandates are disappearing along with hospitalizations and deaths attributed to the virus.

For two years we have been bombarded 24/7 with a fear-mongering media screaming at us about the lethal danger of this COVID-19 “pandemic.” We have been herded to testing stations and vaccination stations to be shot up with not one, not two, but an endless series of experimental gene altering inoculations masquerading as “vaccines,” which wane after a few months, requiring “boosters” to keep us “safe.” But now the big insurance companies have measured a 40%

increase in deaths in 2021 which can be attributed to these “vaccines.” Embalmers are pulling out large, strange blood clots from the veins of dead people. Dr. Ryan Cole is nearly certain (90%) that the blood clots were caused by the death shots. The FDA tried unsuccessfully to get court permission to hide the safety data on the Pfizer “vaccine” for 75 years. The CDC has been caught hiding data on the real number of people dying from these experimental, gene-altering shots. A complaint of crimes against humanity was filed on December 6, 2021, at the International Criminal Court in the Hague for the human suffering caused by these draconian and unlawful government mandates and restrictions in response to this COVID-19

“pandemic.” The largest international criminal investigation in the history of the world is now targeting the perpetrators of these crimes against humanity.

Like a drowning victim left in the water for days, the truth is floating to the surface, bloated and ugly. So here comes a war in Ukraine to shift

Tulsi Gabbard

Mitt Romney

the people’s attention away from COVID-19, while the snakes try to slither back to their caves. However, this whole issue of bioweapons laboratories funded by the U.S. (like the one in Wuhan) has exploded in the face of the enemy precisely because of this “war.” A few days ago, former congresswoman Tulsi Gabbard posted a two-minute video in which she stated what she called “*the undeniable facts.*” *“There are 25 to 30 U.S.-funded bio labs in Ukraine. According to the U.S. government, these bio labs are conducting research on dangerous pathogens.”*

She was strongly criticized by Senator Mitt Romney, then quickly vindicated by Tucker Carlson who quoted Victoria Nuland, the Under Secretary of State. Nuland was asked by Senator Marco Rubio whether Ukraine “*has chemical or biological weapons.*” She admitted that “*Ukraine has biological research facilities which we are now quite concerned that Russian forces may be seeking to gain control of ... We are working with the Ukrainians on how they can prevent any of those research materials from falling into the hands of Russian forces should they approach.*”

So here is the question: **Why is America funding research on bioweapons on the other side of the world?** The excuse given by officials like Anthony Fauci is that enemies of America are producing

# IMPORTANT INFORMATION ON IVERMECTIN

—There was an overwhelming response to the July 20th article on Ivermectin, a safe, inexpensive medicine which has proven extremely effective in treating Covid-19. It can only be given by prescription. In response to numerous requests for information on how to obtain Ivermectin, we are providing the website which gives a nationwide list of physicians who will prescribe it. Go to: [covid19criticalcare.com](http://covid19criticalcare.com)

## The Real War

Continued from page 8

bioweapons, so America must produce these same pathogens so she can make vaccines to protect her military and citizens against them. This is the same type of excuse the American military industrial complex used during the Cold War between America and Russia to persuade the U.S. Congress to fund research on the development and deployment of weapons of mass destruction: its purpose is to act as a deterrent. Deterrent against what? What if I told you that both America and Russia were using these scare tactics to get their people to pay for the development of weapons to fight Allah (God), not each other?

In order to understand what is happening, one must study scripture in the context of the Teachings of the Honorable Elijah Muhammad. We are at the end of Satan's rule. His power to rule the world by God's Permission ended in 1914. However, the withdrawal of that Permission did not mean he would just give up the power he has wielded for the past

2,000 years (he was made 6,000 years ago but spent 4,000 years coming up out of the caves of Europe and learning how to contain his murderous, bestial nature). Since 1947, he has been permitted to study highly advanced aircraft belonging to the Original nation which we call "Baby Planes." The U.S. government lied about their existence for decades. Finally, on June 25, 2021, government's intelligence community released a report on 144 "mysterious flying objects that have been seen moving through restricted military airspace over the last several decades."

By the time the Enemy openly admitted that these weapons, designed to take out his world, do exist, he had already begun developing weapons to

fight in the "inner space" of humans, using nanotechnology. In the Nation of Islam, we know that Master Fard Muhammad, the Great Mahdi of the Muslims and Messiah of the Christians, designed and supervised the construction of our greatest weapon of war, the Mother Plane. He revealed to His Student, the Honorable Elijah Muhammad, that over 6,000 years ago, a Black scientist, Dr. Yakub, used a grafting process to produce the Caucasian race. The rulers from among this made people think that they can outmaneuver the Original man on a cellular level. No, they cannot. Master Fard Muhammad has supreme knowledge of all things above and things below. He is indeed the One to Whom we pray for Guidance and Protection in this COVID-19 Bio-War.

It is now known that the so-called "spike protein" the new mRNA technologies force your body to produce when you are injected, is deadly. These same mRNA gene-altering platforms can issue multiple instructions per shot. Here is how Moderna describes their new medicine, Messenger RNA (mRNA) which they call "The 'Software of Life'":

*"Recognizing the broad potential of mRNA science, we set out to create an mRNA technology platform that functions very much like an operating system on a computer...We need to get the mRNA into the targeted tissue and cells while evading the immune system...We also need ribosomes to think the mRNA was produced naturally, so they can accurately read the instructions to produce the right protein...Utilizing these instruction sets gives our investigational [experimental] mRNA medicines a software-like quality. We also have the ability to combine different mRNA sequences encoding for different proteins in a single mRNA investigational medicine."*

One of these "different mRNA sequences" may encode instructions into humans to further what is called "Transhumanism." According to [www.britannica.com](http://www.britannica.com):

*"Transhumanism, social and philosophical movement devoted to promoting the research and development of robust human-enhancement technologies...Such modifications result-*

*ing from the addition of biological or physical technologies would be more or less permanent and integrated into the human body."*

We are dealing with a whole new technology, rooted in a desperate attempt to alter the genetic makeup of the Original man himself. Why are they so intent on doing this?

In our previous article, we introduced you to Klaus Schwab and his World Economic Forum (WEF). His influence on the development of a "New World Order" after the "Great Reset," cannot be overemphasized. Xi Jinping of the Chinese Communist Party, Dr. Anthony Fauci, Bill Gates and Australian Prime Minister Scott Morrison recently attended a meeting of the World Economic Forum in Davos, Switzerland. Yuval Noah Harari, an advisor to Schwab, delivered a chilling message:

- "Humans are now hackable animals. The whole idea that humans have this, you know, this soul or this spirit or they have free will and 'nobody knows what's happening inside me' ... that's over."

- "By hacking organisms, elites may gain the power to re-engineer the future of life itself. ... In the past many tyrants and governments wanted to do it ... but soon at least some corporations and governments will be able to systematically hack all the people."

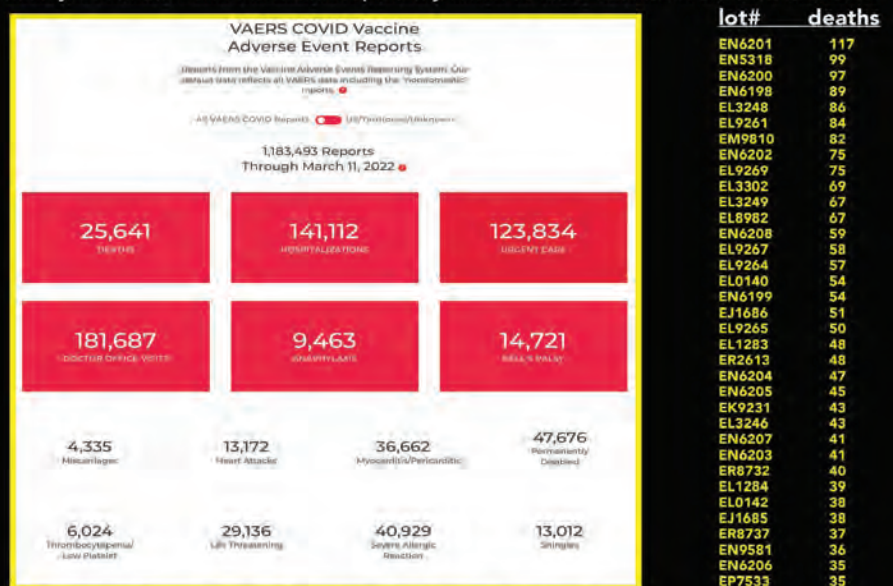

- "Science is replacing evolution by natural selection with evolution by intelligent design. Not the intelligent design of some god above the clouds but our intelligent design."

Dr. Yakub's 6,000-year-old genetic mutation wants to replace Allah (God), The Creator, with its mind. As they leave the Earth, they are fighting to make the natural human being their slaves. They cannot accept the reality that Yakub's promise to them will not be fulfilled.

As set forth in the title of the Honorable Elijah Muhammad's book, "Our Saviour Has Arrived": He, Master Fard Muhammad is the Master over Satan's scientists in this Day of Judgement, in both "The Battle in the Sky" and "The Battle beneath our Skin."

### WARNING • WARNING • WARNING • WARNING

Scientists analyzing the data collected in the CDC's Vaccine Adverse Effects Reporting System (VAERS) have detected a pattern showing that certain batches of the Pfizer, Moderna, and Johnson & Johnson "vaccine" are far more deadly than others—even by thousands of times. These specific batches are linked to the most deaths and illnesses and the pattern of these poison needle deployments suggests that these companies are deliberately testing the strength of their serum through this wicked process. Below listed are just some of the more deadly lot numbers and the deaths reportedly linked to these batches in the CDC database:

For further information about the scientific analysis of the COVID-19 "vaccine" batch numbers, see <https://www.howbadismybatch.com/lethal.html>

**"The fact that fasting is the cure to 90 per cent of our ills is known by the medical scientists. But, they do not teach you that." —The Most Honorable Elijah Muhammad**

## Feds Secretly Paid Media to Promote COVID Shots

The Biden administration made direct payments to nearly all major corporate media outlets to deploy a \$1 billion taxpayer-funded outreach campaign designed to push only positive coverage about COVID-19 vaccines and to censor any negative coverage.

An article by the **Children's Health Defense** explained that "Media outlets across the nation failed to disclose the federal government as the source of ads in news reports promoting the shots to their audiences."

According to documents released through the Freedom of Information Act, the U.S. **Department of Health and Human Services (HHS)** purchased advertising from major news outlets including **ABC, CBS, NBC, Fox News, CNN and MSNBC**. HHS also ran media blitzes in major media publications including *The Washington Post, Los Angeles Times, New York Post, BuzzFeed News, Newsmax* and hundreds of local TV stations and newspapers across the nation.

The ad campaigns featured "influencers" and "experts," like **Dr. Anthony Fauci**, and were timed in conjunction with the release of the COVID "vaccines." Numerous scientists and public health experts have warned of the **dangers of COVID "vaccines,"** which now have a CDC-documented **death count of 25,158.**

### NewsMax

A whistleblower within Newsmax confirmed the news organization's executives agreed "to push only positive coverage of COVID vaccines." Its former White House correspondent, **Emerald Robinson**, said she was "warned multiple times...by top Newsmax executives in 2021...to stop any negative coverage of the COVID shots," and that "medical experts or doctors likely to say negative things about COVID vaccines would not be booked as guests." Robinson was fired by Newsmax and was later banned from Twitter for "violating the platforms' rules on COVID-19 misinformation."

Newsmax's CEO is conservative republican **Christopher Ruddy** (left), who wrote that "At Newsmax, we have strongly advocated for the public to be vaccinated," and he imposed a "vaccine" mandate on all Newsmax employees. He departs in this pro-jab

stance from most conservatives, who have decried vaccination and the disastrous "pandemic" policies of the U.S. government. But Ruddy is a member of the **Kissinger Council of the Center for Strategic and International Studies (CSIS)**, chaired by **Dr. Henry Kissinger**, whose notorious advocacy of DEPOPULATION has now been realized through COVID-19 "vaccinations."

## depopulation: (dē-pōp'ye-lā'-shūn)

**To reduce sharply the population of, as by disease, war, or forcible relocation. A reduction over time in a region's population can be caused by sudden adverse events such as outbursts of infectious disease, famine, and war or by long-term trends, for example sub-replacement fertility, persistently low birth rates, high mortality rates, and continued emigration.**

## THE WALL STREET JOURNAL.

### Billionaires Try to Shrink World's Population, Report Says

By Robert Frank  
May 26, 2009

Last week's meeting of the Great and the Good (or the Richest and Richer) was bound to draw criticism. The New York meeting of billionaires **Bill Gates, Warren Buffett, David Rockefeller, Eli Broad, George Soros, Ted Turner, Oprah, Michael Bloomberg and others** was described by the *Chronicle of Philanthropy* as an informal gathering aimed at encouraging philanthropy. Just a few billionaires getting together for drinks and dinner and a friendly chat about how to promote charitable giving.

There was no agenda, we were told. And no plan for a follow-up meeting. But in an age of fallen wealth idols, it was inevitable that a meeting of billionaire minds would draw scrutiny. Surely all that money and power in one room had to spell trouble for the rest of us.

An article in the *Times of London*, headlined "Billionaire Club in Bid to Curb World Population," said the issues discussed in the top-secret meeting included health care, education and—by far the most controversial—slowing the global population growth.

"Taking their cue from Gates they agreed that overpopulation was a priority," the article said, adding that "this could result in a challenge to some Third World politicians who believe contraception and female education weaken traditional values."

Such a stand wouldn't be surprising. Mssrs. Gates, Buffett and Turner have been quietly worrying about Malthusian population problems for years. Mr. Gates in February outlined a plan to try to cap the world's population at 8.3 billion people, rather than the projected 9.3 billion at which the population is expected to peak.

But some right-leaning blogs have started attacking the billionaires as forming a kind of secret sterilization society or giant ATM to fund abortions. It fed into time-honored fears of the rich using their wealth to reshape mankind in its preferred image. Some are raising the specter of eugenics....

## How Fauci Fooled America

Two more prominent doctors have now publicly declared that "**Dr. Fauci got major epidemiology and public health questions wrong. Reality and scientific studies have now caught up with him.**"

**Dr. Martin Kulldorff** is an epidemiologist, biostatistician, and professor at Harvard Medical School, and **Dr. Jay Bhattacharya** is a Professor of Health Policy at Stanford School of Medicine.

They wrote in *Newsweek* that "By pushing vaccine mandates Dr. Fauci ignores naturally acquired immunity among the COVID-recovered, of which there are more than 45 million in the United States. Mounting evidence indicates that natural immunity is stronger and longer lasting than vaccine-induced immunity.... In a study from Israel, the vaccinated were 27 times more likely to get symptomatic COVID than the unvaccinated who had recovered from a prior infection."

"Under Fauci's mandates, hospitals are firing heroic nurses who recovered from COVID they contracted while caring for patients. With their superior immunity, they can safely care for the oldest and frailest patients with even lower transmission risk than the vaccinated."

On mask wearing they write, "The gold standard of medical research is randomized trials, and there have now been two on COVID masks for adults. For children, there is no solid scientific evidence that masks work. A Danish study found no statistically significant difference between masking and not masking when it came to coronavirus infection....[M]asks are either of zero or limited benefit."

"As an immunologist, Dr. Fauci failed to properly consider and weigh the disastrous effects lockdowns would have on cancer detection and treatment, cardiovascular disease outcomes, diabetes care, childhood vaccination rates, mental health and opioid overdoses, to name a few. Americans will live with—and die from—this collateral damage for many years to come."

"The evidence is in. Governors, journalists, scientists, university presidents, hospital administrators and business leaders can continue to follow Dr. Anthony Fauci or open their eyes."

2

**“As I live, my desire is to destroy the so-called medical profession, because it is not a profession of healing; it is a profession of drugs.”**

**—The Most Honorable Elijah Muhammad**

**Florida to recommend against COVID vaccines for healthy children**

**Slave Plantation Passes Are Back: And Now Whites Are Slaves Too!**

**CNN Admits Gov't Using FEAR Campaign to Push Death Shots**

The newly confirmed Surgeon General in the state of Florida, **Dr. Joseph Ladapo**, said that the state *will formally recommend against COVID-19 vaccinations for healthy children.*

“We’re kind of scraping at the bottom of the barrel, particularly with healthy kids, in terms of actually being able to quantify with any accuracy and any confidence the even potential of benefit,” he added.

Late last month, Dr. Ladapo and **Gov. Ron DeSantis** announced new virus policy recommendations that discouraged mask-wearing and directed physicians to exercise their own judgment when treating virus patients, including the use of emerging treatments and off-label medications like Ivermectin and Hydroxychloroquine.

As a PUBLIC SERVICE, we in the Nation of Islam want to prepare ALL Americans for the “Vaccine Passports” that are now being readied for full operation in the nation and around the world. Just as in slavery, these “plantation passes” control every aspect of life: **Bill Gates’s** dream is that ALL worldly opportunities to participate in society—including your ability to travel, buy food, get medical care, go to school, get a job, start a business, and all else you now take for granted—will be based on the digital permission slip that approves your medical status and vaccination history.

This is no less than a return to the most profitable time in American history—plantation slavery—when total violent control of the workforce (Black slaves) required a pass system and the widespread deployment of slave patrols. **Frederick Douglass**, making his first attempt to escape slavery, described it this way:

**“At every gate through which we were to pass we saw a watchman, at every ferry a guard, on every bridge a sentinel, and in every wood a patrol. We were hemmed in upon every side.”**

Accounts of how the plantation passport system operated in America are described in **Theodore Weld’s** 1839 book titled *American Slavery As It Is: Testimony of a Thousand Witnesses*:

**“A patrol is kept upon each estate, and every slave found off the plantation without a pass is whipped on the spot. I knew a slave who started without a pass, one night, for a neighboring plantation, to see his wife: he was caught, tied to a tree, and flogged. He stated his business to the patrol, who was well acquainted with him, but all to no purpose. I spoke to the patrol about it afterwards: he said he knew the negro, that he was a very clever fellow, but he had to whip him; for, if he let him pass, he must another, &c. He stated that he had sometimes caught and flogged four in a night.”**

**The New Orleans Crescent, Oct 11, 1850**

**Mr. Lugenbuhl offered an ordinance in regard to slaves hired by the day or month. The ordinance provides that no slave owner shall allow a slave to work by the day or month, without giving such slave a pass, and no person is allowed to hire a slave without such pass is produced by the slave. The pass must describe the slave, state the age, etc, and give the residence of the owner. The ordinance was adopted.**

The vaccine-pushing network CNN actually admitted in a headline that **“vaccination ads use a new tactic to increase Covid-19 vaccination rates: fear.”**

“With vaccination rates only inching forward slowly, the federal government is trying a new marketing tactic: fear...It’s a sharp turn from earlier ads, which used positive messages—protecting the community, getting back to normal activities, reuniting with friends—to convince hesitant Americans to roll up their sleeves...”

“The ads are part of a \$250 million HHS Covid-19 public education campaign....The new batch of ads is much rougher....The ads feel raw, and there’s no peppy music...”

**Former Pfizer VP Says Gov't is 'going to kill you and your family.'**

**Dr. Michael Yeadon** was Pfizer’s Vice President and Chief Scientist and spent 32 years in the pharmaceutical industry. He has been outspoken about the “COVID-19 pandemic”:

“Stop. Look out the window, and think, ‘why is my government lying to me about something so fundamental?’ Because, I think the answer is, they are going to kill you using this method. They’re going to kill you and your family.”

“The eugenicists have got hold of the levers of power and this is a really artful way of getting you to line-up and receive some unspecified thing that will damage you. I have no idea what it will actually be, but it won’t be a vaccine because you don’t need one. And it won’t kill you on the end of the needle because you would spot that.”

“It could be something that will produce normal pathology, it will be at various times between vaccination and the event, it will be plausibly deniable because there will be something else going on in the world at that time, in the context of which your demise, or that of your children will look normal. That’s what I would do if I wanted to get rid of 90 or 95% of the world’s population. And I think that’s what they’re doing.”

“...But I remind you of what happened in Russia in the 20th Century, what happened in 1933 to 1945, what happened in, you know, Southeast Asia in some of the most awful times in the post-war era. And, what happened in China with Mao and so on.

“We’ve only got to look back two or three generations. All around us there are people who are as bad as the people doing this. They’re all around us. So, I say to folks, the only thing that really marks this one out, is its scale.”

**“...it was designed to harm you, your ability to reproduce yourself.”**

When he made the above statement in his recent lecture titled *Swan Song, The Honorable Minister Louis Farrakhan* targeted the true aims and objectives of the COVID “vaccine”: DePopulation through a toxic “jab” that poisons the reproductive system.

**Dr. Joseph Mercola** analyzes the relevant scientific data:

“Without doubt, inflammation in the ovaries is not a good thing. Men also report swollen testes, and that could be indicative of inflammation as well. Preliminary data show women who get the jab within the first 20 weeks of pregnancy have a miscarriage rate of 82% to 91%.<sup>5</sup> There are also VAERS reports describing fetal damage. Of course, it could also impair future fertility.

“As described earlier, some antibodies produced by the jab can react to human proteins. One protein that is similar to the spike protein that the antibodies attack is syncytin, which is essential for the fertilization of the egg. The concern is that the antibodies might attack and destroy syncytin, thereby disrupting and preventing implantation in the placenta.”
