'Harari is the global spokesperson for Satan's diabolical scheme to make a final stand against the Lord of the Worlds.

We are living in the fullness of time when the biblical prophecy in 2 Thessalonians 2: 3,4 comes to pass and is clearly visible to anyone willing to look: –Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; –Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.'

*“The earth is burdened by the wicked living on a planet that was made for the righteous. The burden is now being shaken. The burden feels something coming because they're being overthrown. You can't live in a world made by God on the basis of truth living your life on the basis of a lie. ...”*

–The Honorable Minister Louis Farrakhan,  
The Criterion July 4, 2020

In the March 22, 2022, edition of The Final Call Newspaper, we introduced you to Klaus Schwab and the plans of the world's elite to take complete financial control of each and every individual on this planet. Investment banker Catherine Austin Fitts, among others, has warned that the now shelved “vaccine passport” was a first step to total digital surveillance and personal data collection, with a Chinese-inspired “social credit score” attached to a worldwide digital currency.

Klaus Schwab boasts of how many presidents over western powers are in place to fulfill his vision for the future of humanity—men and women he trained through the *Young Global Leaders of the World Economic Forum* he founded in 1971, including the presidents of Canada, Argentina, Germany, Russia, France, England and other powerful figures like Bill Gates.

Schwab boldly states his vision for our future: *“What we see is a kind of fusion of the physical, digital and biological world.”* Schwab's top “ideas man” is one Dr. Yuval Noah Harari, a professor of history at Hebrew University of Jerusalem. By virtue of his own words, Harari is a vicious hater of humanity and is no minor figure. Former U.S. President Barack Obama counts him among his favorite authors and touted his book *Sapiens* in a nationally televised interview. Harari is a frequent speaker at World Economic Forum events where he expounds on the *“Great Reset,”* Schwab's megalomaniacal

vision of a dismal future for humanity. Some of his brazen statements include the following:

1. *“COVID is critical because this is what convinces people to accept, to legitimize total biometric surveillance.”*
2. *“Previously, surveillance was mainly above the skin, now it's going under the skin. Governments want to know not just where we go or who we meet. Above all, they want to know what is happening under our skin: what's our body temperature, what's our blood pressure, what is our medical condition.”*

3. *“Now humans are developing even bigger powers than ever before. We are really acquiring divine powers of creation and destruction. We are really upgrading humans into gods. We are acquiring the power to reengineer life.”*

Harari is the global spokesperson for Satan's diabolical scheme to make a final stand against the Lord of the Worlds. We are living in the fullness of time when the biblical prophecy in 2 *Thessalonians* 2: 3,4 comes to pass and is clearly visible to anyone willing to look:

- *Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;*

# IMPORTANT INFORMATION ON IVERMECTIN

—There was an overwhelming response to the July 20th article on Ivermectin, a safe, inexpensive medicine which has proven extremely effective in treating Covid-19. It can only be given by prescription. In response to numerous requests for information on how to obtain Ivermectin, we are providing the website which gives a nationwide list of physicians who will prescribe it. ## Satan's Final Stand

Continued from page 8

• *Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.*

Harari is not talking about sitting in some “temple” building dedicated to the worship of God: he is encouraging the use of gene-altering technology to remove the Creator from the very DNA that He created in man to form man in His image. Evidently, Harari and his ilk do not believe they can be or will be defeated by the All-Wise, True and Living God, Allah, Who is active in our lives and in our DNA. However, the *Holy Qur'an* declares to them as well as us in Surah (verse) 23:14:

*“Then We make the life-germ a clot, then We make the clot a lump of flesh, then We make (in) the lump of flesh bones, then We clothe the bones with flesh, then We cause it to grow into another creation. So blessed be Allah, the Best of creators!”*

Harari goes further in boldly exposing the plans of the “global elite” to take the human being away from

Allah(God):

4. *“Humans are now hackable animals. The whole idea that humans have this, you know, this soul or this spirit or they have free will and ‘nobody knows what’s happening inside me’ ... that’s over... Science is replacing evolution by natural selection with evolution by intelligent design. Not the intelligent design of some god above the clouds but our intelligent design.”*

5. *“... What we are talking about now is like a second industrial revolution, but the product this time will not be textiles or machines or vehicles or even weapons. The product this time will be humans themselves. We are basically learning to produce bodies and minds*

*... And this time if you are not part of the revolution fast enough, then you probably will become extinct. So, once you learn to produce bodies and brains and minds, the cheap labor in Africa or Asia or wherever, it simply counts for nothing. The biggest question in maybe economics or politics in the coming decades will be what to do with all these useless people ... The problem is more boredom and what to do with them and how to find some sense of meaning in life since they will be basically useless, worthless. My best guess at present is a combination of drugs and computer games.”*

Since Dr. Harari has the title “historian,” one may lean toward acceptance of his historical perspective leading him to predict that many people will become “useless, worthless.” But his understanding of history is manifestly wrong. Darker people all over the world had “textiles and machines and weapons and vehicles” long before the “industrial revolution” in Europe. European commodities overtook locally produced commodities all over the world because of their murderous nature. Europeans would send in their military to burn down factories, kill political and industrial leaders or instigate civil wars in countries they could not conquer outright, then flood these crippled markets with their goods. In these last days, they use the power of persuasion through global mass media that defines White, European culture as superior and products that are better.

In America they stole the land from the Native Americans, mostly through the spread of disease, destroying the food supply and outright murdering the Indigenous peoples. Then they went to Africa to steal and enslave the builders of civilization, to build their “new world.” After slavery, they had to break the power of the skilled Black labor

force by importing Whites from Europe and training them in trade unions that excluded Blacks.

They ran Black people out of farming to work in the manufacturing plants up North. But when they saw the development of a Black middle class, they shut down factories in the 1980s and 90s, then took those jobs to China, India and Mexico. They diabolically brought in drugs and dumped them in the Black community, making a dispirited people not only “useless” but a “menace to society.”

After Schwab’s and Harari’s cousins destroyed economies all over the planet, it placed them in a position to declare the Original people as “useless, worthless,” sentencing them to extinction as they use gene editing to kill off Blacks and modify Whites to make them superhumans (read: “better than Black people.”) They seek to become God over a whole new artificial world. However, when the Lord of the Worlds intervened through the *Honorable Minister Farrakhan (July 4, 2020, The Criterion)* and told Black people in America and Africa not to take these gene-altering shots, they were left giving them primarily to their own kind. Their own are now dying and suffering from these shots and turning against their leaders who led them astray.

A “*Defeat the Mandates*” mass rally, sponsored in part by *TheHighwire.com*, was held in Los Angeles on April 10, 2022. A number of medical doctors, scientists, and activists spoke against several proposed California laws, including one requiring all K-12 public school students to take the COVID-19 “vaccines.” State Senator Richard Pan, who initially proposed the legislation, withdrew his bill on April 14, 2022, and others were shelved, showing the power of the people when they decide to stand up against tyranny.

Black people MUST SEPARATE from Satan—the men and women of sin who, as the Most Honorable Elijah Muhammad declares, have proven to be “disagreeable to live with in peace.” *Holy Qur'an 41:29: And those who disbelieve will say: Our Lord, show us those who led us astray from among the jinn and the men that we may trample them under our feet, so that they may be of the lowest.*

## Murder By Injection

*"I have a book here...It's out of print. It's called **Murder By Injection**. They just give you vaccinations. Now you can't even take your children to school without their telling you you have to be vaccinated. Do you know what they're putting in that damn vaccine?! They tell you it's this, but it may be that."*

—Minister Louis Farrakhan, Saviours' Day 2004

**Murder By Injection: The Story of the Medical Conspiracy Against America** was written by **Eustace Clarence Mullins** in 1988 and now is back in print. The Minister highlighted the book in 2004 and recommended it to the world. In the excerpt below Mullins forecasts the danger posed by today's medical madmen and their death-dealing vaccine cult:

"The Church of Modern Medicine claims that we can only be absolved from the peril of infection by the Holy Water of vaccination, injecting into the system a foreign body of infection, which will then perform a Medical Miracle, and will confer life-long immunity, hence the term, 'immunization.' The greatest heresy any

physician can commit is to voice publicly any doubt of any one of the Four Holy Waters, but the most deeply entrenched in modern medical practice is undoubtedly the numerous vaccination programs. They are also the most consistently profitable operations of the Medical Monopoly. Yet one physician, **Dr. Henry R. Bybee**, of Norfolk, Virginia, has publicly stated, 'My honest opinion is that vaccine is the cause of more

disease and suffering than anything I could name. I believe that such diseases as cancer, syphilis, cold sores and many other disease conditions are the direct results of vaccination. Yet, in the state of Virginia, and in many other states, parents are compelled to submit their children to this procedure while the medical profession not only receives its pay for this service, but also makes splendid and prospective patients for the future.'

"The present writer [Mullins] well remembers the 1920s, as a child in Virginia, going to school for some weeks without having submitted to the compulsory vaccination ordered by the state authorities. Each morning, the teacher would begin the day's classes by asking, 'Clarence, did you bring your vaccination certificate today?' Obviously, this was the most urgent business of the educational system, taking priority over such mat-

ters as lessons and studying. Each morning, I would have to reply, 'No, I didn't bring it today.' The other children would turn and stare at this dangerous classmate, who might infect them all with some terrible disease. My mother had been a registered nurse, and she never urged me to go ahead with my vaccination. I suspect she knew more than the doctors about its possible effects. After postponing the dreaded ordeal for some weeks, I was finally led to the doctor like an animal being led up the plank to be stunned, and I received my injection. Of course it made me extremely ill, as my body fought the infection, but the class was delivered from peril, and I was accepted as a duly branded member of society. In 'The Curse of Canaan,' I wrote of the deliverance of our children up for ritual sacrifice, a practice which seemingly ended with the destruction of the Baal cult some five thousand years ago. Unfortunately, the Cult of Baal seems to be firmly entrenched in the present Establishment, which is often known by the sobriquet, the Brotherhood of Death. It is disturbing to see how the educationists eagerly embrace each new offense against children in our schools, railing against any mention of morality or religion, while solemnly indoctrinating six year olds in the advantages of 'an alternative life style' in their sexual preferences. The present goal of the National Education Association seems to be that teachers should hand out condoms to the class before beginning each day's activities..."

## "Pandemic Treaty" Makes the W.H.O. the World Ruler

The global government is moving ever closer to eroding every individual's freedom to make their own health decisions. The unelected and unaccountable World Health Organization (WHO) has created an international "Pandemic Treaty" that will dictate health care policies around the world, which means:

- They'll order you and your loved ones to get the "jab" (plus never-ending boosters);
- They'll establish the vaccine passport system that controls what you are allowed to do, and what penalties you will pay for resisting;
- They'll censor any information that threatens their authority;
- From their headquarters in Switzerland they will deputize your local police departments to carry out their policies.

According to **Shabnam Palesa Mohamed**, of the **World Council for Health**, the "Pandemic Treaty" gives the WHO "an inordinate amount of power to make decisions in sovereign countries as to how people live and how they deal with pandemics, from lockdowns to mandates over treatment."

## Dr. Judy Mikovits on mask wearing:

**Dr. Judy Mikovits**, a Ph.D in Biochemistry and Molecular Biology, was asked about masks by **The Final Call**:

*"My position hasn't changed since we wrote our book, **The Case Against Masks**. There are very valid reasons why mask use should be limited. There's very valid reasons why the most susceptible in our society should never be wearing a mask. And I mean a cancer patient, (those who) suffer with asthma, PD (pulmonary disease), autism, any other inflammatory disease—the science is clear. ...*

*"We knew in the beginning only two breaths in essentially any mask can put you into a hypoxic state. So it's been criminal from the beginning for anybody to wear a mask and we knew the masks drove the 1918 pandemic flu..."*

*"...We don't metabolize carbon dioxide. In only two breaths, you have carbon dioxide. Our book said it in the beginning, heavily censored since it came out August of 2020...with the Statue of Liberty on the front cover, suffocating in a mask, our liberty. The masks are and always have been about control and everybody wearing them has driven the virus, which is fear. Fear is the virus—nothing more immune suppressive than anger and fear. So we've crippled everyone and now they're in two, three, and four masks. And, oh, Tony Fauci sat there last week and said, 'Oh, yeah, wear an N95 mask. Wear one you can tolerate.' Oh, you mean wear whatever doesn't suffocate you?! No! No! No! No! No! This is criminal and the masks need to go off!"*

## Elon Musk's Buying Twitter Uncovers ADL Censorship Role

Billionaire **Elon Musk** has purchased Twitter and promises to make it a forum that honors the 1st Amendment. **"Free speech is the bedrock of a functioning democracy, and Twitter is the digital town square where matters vital to the future of humanity are debated,"** Musk said. Twitter has been corrupted by "fact checkers" operating to promote the depopulation agenda of Big Pharma and the world's satanic leaders.

At a recent TedTalk before the purchase Musk, a self-described "free speech absolutist," decried Twitter's current censoring policies: **"[H]aving tweets mysteriously be promoted and demoted with no insight into what's going on, having a black box algorithm promote some things and not other things, I think this can be quite dangerous."**

Within 24 hours of the April 25th sale the previously banned discussion of the COVID therapeutic drug **Ivermectin** was trending with thousands of Tweets. Any mention of the success of any drug other than the "vaccine" has been ruthlessly scrubbed from the platform for the last two years. The significance of this development was discussed by **Tucker Carlson** in a segment of his *Fox News* show:

**"Elon Musk...knows how important Twitter is to the people who run our system, who run the global**

**system. For them, censorship and propaganda are not a feature of their rule—their rule depends on censorship and propaganda. If you are offering policies that really benefit nobody but yourself, you have to lie about them, and you must prevent anyone from complaining about it.**

**"...Again, you can't overstate what a threat this is—not simply to the people occupying seats of political power, but to the whole non-profit universe that exists and thrives and becomes rich, supporting them through censorship and propaganda. So, groups like the Anti-Defamation League (ADL) or Media Matters take money in order to censor people. They issue some report calling you a racist and then social media shuts you down. Elon Musk is saying 'No, people should be able to speak freely.' That would mean the end of their control over speech—groups like the ADL and Media Matters. So, the media and these nonprofit groups have to stop this before it happens.... If free speech is restored to even one big social media platform, it all comes tumbling down."**

## Dr. Ben Carson Says Trust in Public Health System Has Been Destroyed

The *Epoch Times* interviewed brain surgeon **Dr. Ben Carson** after the federal court ruling striking down Joe Biden's mask mandate in transportation. The former chief of pediatric neurosurgery at Johns Hopkins Hospital explained how the public's trust in the American health system has been destroyed:

**"We've gotten into a system where we have the media in cahoots with the executive branch, sort of overlooking all the other safeguards that we have in our system. And as a result of that, what we've done has completely destroyed the trust of the people in the CDC, the NIH, the government health system. It's going to take a very long time to get that trust back....It's too bad that a federal court system had to come in and bring some common sense into the discussion. But the fact of the matter is, we all know, from multitudinous data, that the masks aren't doing very much, particularly in things like airplanes that already have HEPA filters."**

Carson targeted the government's single-minded focus on "vaccinations" and their curious policy of banning successful treatments.

**"[Hydroxychloroquine] was roundly criticized by our government officials. So was Ivermectin and some other therapeutics that work perfectly fine in other parts of the world. Why would they work in other parts of the world and not work here? Why is it, in Western Africa, there's almost no COVID? Because they take hydroxychloroquine as an anti-malarial. Why in southern India is there almost no COVID? Because they take Ivermectin. Maybe they're not taking it specifically for COVID, but look at the results."**

## 7,500% Increase in Recorded Cases of Cancer Following COVID-19 Vaccines

Pathologist **Dr. Ryan Cole** (in photo) said that he is hearing from doctors all across the world that cancer rates are "taking off like wild fire" following COVID-19 "vaccinations." Their patients with stabilized stage 1 cancers advance to stage 4 within a couple of weeks of the shot. He concludes that the cancer-fighting T-cells are being neutralized by the "vaccinations."

Cancer is not considered a common side effect of vaccines. This may be due to the time it takes for cancer cells to proliferate and be exposed through cancer screening. And by then most people would probably not even associate a diagnosis of cancer with a previous vaccine.

**Brian Shilhavy**, editor of *Health Impact News*, searched for various forms of cancer in the CDC's Vaccine Adverse Event Reporting System (VAERS) and found 739 cases resulting in 84 deaths following COVID-19 "vaccinations" for the past 16 months.

Using the exact same search for all FDA-approved vaccines for the previous 30 years before the COVID-19 shots were issued emergency use authorizations, Shilhavy found just 220 cases resulting in 16 deaths over 360 months. That's an average of .6 cases per month for the previous 30 years compared to an average of 46 cases of cancer per month following COVID-19 vaccines—an increase of 7,567%.

## Philadelphia Reverses on Mask Mandate; Ends It Days After Reinstatement

Philadelphia ended its indoor mask mandate, abruptly reversing course just days after people in the city were ordered to resume the ineffective and unscientific measure. The Board of Health cited "decreasing hospitalizations and a leveling of case counts" but did not release data to back up its reversal.

Philadelphia had been the first major U.S. city to reinstate its indoor mask mandate, but faced fierce blowback as well as a legal effort to get the mandate thrown out. Philadelphians, tired and angry at the continual pushing of failed "pandemic policies," appeared to be largely ignoring the order, and few masks were worn at the Philadelphia 76ers' home playoff game even though they were required under city rules.

The restaurant industry had pushed back against the city's reimposed mask mandate, saying workers would bear the brunt of customer anger over the new rules. Several businesses and residents sued the city, seeking to overturn the renewed mandate.
