The Global Battle to Stop Wicked Scientists from Making the Whole World Deviate from the Law of God

“They preach the rightful laws of God, but practice the laws of Satan and now have become the world’s greatest trouble makers (war makers), and have caused the nations to deviate from the path of Allah (God). And now they are heading the entire world into total destruction.”

—The Honorable Elijah Muhammad, *Message To The Black Man*

by Dr. Ridgely Abdul Mu'min Muhammad
NEWS ANALYSIS

On May 11, 2022, a group of physicians and medical scientists led by Dr. Robert Malone (one of the inventors of the mRNA technology) issued a joint statement entitled **“Declaration IV—Restore Scientific Integrity.”** In it they declared **“the state of medical emergency must be lifted, scientific integrity restored, and crimes against humanity addressed.”**

An excerpt reads as follows:
“After two years of scientific research, millions of patients treated, hundreds of clinical trials performed and scientific data shared, we have demonstrated and documented our success in understanding and combating COVID-19. In considering the risks versus benefits of major policy decisions, our Global COVID Summit of 17,000 physicians and medical scientists from all over the world

have reached consensus on the following foundational principles:

“We declare and the data confirm that the COVID-19 experimental genetic therapy injections must end.

We declare doctors should not be blocked from providing life-saving medical treatment.

We declare the state of national emergency, which facilitates corruption and extends the pandemic, should be immediately terminated.

We declare medical privacy should never again be violated, and all travel and social restrictions must cease.

We declare masks are not and have never been effective protection against an airborne respiratory virus in the community setting.

We declare funding and research must be established for vaccination damage, death and suffering.

We declare no opportunity should be denied, including education, career, military service or medical treatment, over unwillingness to take an injection.

We declare that first amendment violations and medical censorship by government, technology and media companies should cease, and the Bill of Rights be upheld.

We declare that Pfizer, Moderna, BioNTech, Janssen, Astra Zeneca, and their enablers, withheld and willfully

omitted safety and effectiveness information from patients and physicians, and should be immediately indicted for fraud.

We declare government and medical agencies must be held accountable.”

Not to be outdone, President Joe Biden, the very next day, May 12, 2022, held his own *“Virtual Covid-19 Summit”* dedicated to *“getting Covid-19 under control.”* Biden’s summit *“led to a commitment for \$3.2 billion in additional funds centered on global vaccine access... .”*

The question we must ask is why America is willing to spend \$3.2 billion to push Black Africans into taking “experimental genetic therapy injections”? Africa has been barely touched with this virus without these shots. Heavily vaccinated Americans and Europeans have suffered the highest rate of death and hospitalization. We know that the injections do not stop the spread of the virus. The vaccine manufacturers are putting out boosters every few months, acknowledging the instability and temporary “strength” of their product. The public has been duped into believing they should be jabbed over and over. The fact is that research shows the vaccines enhance the ability of the COVID-19 virus and even other viruses to bypass man’s God-given immune system and cause us great harm.

IMPORTANT INFORMATION ON IVERMECTIN

—There was an overwhelming response to the July 20th article on Ivermectin, a safe, inexpensive medicine which has proven extremely effective in treating Covid-19. It can only be given by prescription. In response to numerous requests for information on how to obtain Ivermectin, we are providing the website which gives a nationwide list of physicians who will prescribe it. Go to: covid19criticalcare.com

Global battle

Continued from page 8

We must remain vigilant and acutely aware of the true purpose of the injections the West is trying to force on the world. Gene therapy is designed to alter man's DNA, ostensibly to make him better. In recent articles, we have spotlighted Klaus Schwab, founder of the World Economic Forum (WEF), who states his vision for our future:

“What we see is a kind of fusion of the physical, digital and biological world.”

We have also referenced one of his major advisors and spokespersons, Yuval Noah Harari, a PhD in history. He has said, “Science is replacing evolution by natural selection with evolution by intelligent design. Not the intelligent design of some **god above the clouds but our intelligent design.**”

The scientists of this modern era have genetically modified plants, milk cows and now humans through these latest shots posing as “vaccines.” Moderna and Pfizer-BioNtech mRNA shots were not even patented as “vaccines” but “gene therapies” that instruct our own cells to produce a toxic foreign protein known as the **spike protein**. The result is that our body's immune cells are killing those of our own cells that are producing this poi-

‘The question we must ask is why America is willing to spend \$3.2 billion to push Black Africans into taking “experimental genetic therapy injections”? Africa has been barely touched with this virus without these shots.’

son after taking these shots.

In just over 2 years, there have been more than 1.2 million adverse events, including 28,000 deaths, recorded in the CDC's adverse effect tracking system (VAERS). These injuries and deaths are a direct result of the COVID injections. The 17,000 scientists are quite justified in stating that, **“We declare and the data confirm that the COVID-19 experimental**

genetic therapy injections must end.”

However, with all due respect to these well-meaning doctors and scientists, this statement does not go far enough in dealing with the real danger here. The wicked scientists of this world must be stopped from experimenting on the DNA of God's creatures. They do not know enough to play God. They admit that they understand about 10% of what the DNA does, while they don't have a clue as to what the other 90% does. In fact, they call 90% of the DNA “junk.” But evidently something in that “junk” DNA is causing the bodies of thousands of people to shut down completely (death), after being shot up with these scientists' “experimental gene therapies.”

Minister Farrakhan has declared that all of the victims in this pestilence will be considered martyrs.

“Don't take the vaccines. There are 14 therapies that are in the world today that we can use to fight against the Covid virus. America, you won't solve it. The scientists of the world, you won't solve it. I want to tell you what will solve it. This virus is a pestilence from heaven so scholarship from hell can't deal with a pestilence that came from heaven,” said the Minister in his July 4, 2020 message, “The Criterion.”

Have you ever heard of the “Manhattan Project”? The Manhattan Project was a top-secret research and development project during World War II that produced

the first nuclear weapon. It was led by the United States with the support of the United Kingdom and Canada beginning in 1942. It culminated in the dropping of two nuclear bombs on Japan on August 6, 1945, obliterating the populations of two major cities. This project was so **top secret** that former Senator and Vice-President Harry S. Truman, who set up **Senate Special Committee to Investigate the National Defense Program** in 1941, never knew about it until a few months after he became the 33rd President upon the death of Franklin D. Roosevelt. So don't tell me about “conspiracy theories.” The U.S. government conspires against its perceived enemies all the time, while the public and other parts of the government are left blind.

When these wicked scientists first tested the atomic bomb, July 16, 1945, in New Mexico's desert, they did not know whether it would start a chain reaction that might destroy the whole world. They pushed the button anyway. The same type of secret but even more advanced experimentation is now being conducted by a new generation of wicked scientists on human DNA. These are completely reckless enemies of God and man. We have been warned not to follow them. The *Holy Qur'an* 16:39, gives us the conversation where Satan openly defies Allah (God): *“He said: My Lord, as Thou hast judged me erring, I shall certainly make (evil) fair-seeming to them on earth, and I shall cause them all to deviate...”*

Sticking or feeding their gene altering technologies into our bodies is a sure way to make us all “deviate” from the course of God, Who is making us into His image-- instead, Satan works to make us the deviant products of his mind: lies, murder and rebellion. We must Separate from them, so that our God (Allah) can remove them from our planet, without having to take us with them.

“Satan is a knowing arch-deceiver who is mastering the 85%(of the world's population) by keeping them in ignorance and fighting against anyone who would bring them knowledge that he might continue his wicked rule over them; that he might live in luxury by sucking the blood of the poor and ignorant.”

—The Honorable Minister Louis Farrakhan, *Closing the Gap*

VAERS COVID Adverse Event Reports

DePopulation Briefs

"Before the vaccine was made, I warned us in the Name of Allah that this was a death plot....The way to get rid of two to three billion people [is] to offer you a vaccine."

—The Honorable Minister Louis Farrakhan, Swan Song

The VACCINES I Have Known

Among all the vaccines I have known in my life (diphtheria, tetanus, measles, rubella, chickenpox, hepatitis, meningitis, tuberculosis, flu and pneumonia), **I have never seen** a vaccine that forced me to wear a mask and maintain my social distance, even when you are fully vaccinated. **I had never heard of** a vaccine that spreads the virus even after vaccination. **I had never heard of** rewards, discounts, incentives to get vaccinated. **I never saw** discrimination for those who didn't. If you haven't been vaccinated no one has tried to make you feel like a bad person. **I have never seen** a vaccine that threatens the relationship between family, colleagues and friends. **I have never seen** a vaccine used to threaten livelihoods, work or school. **I have never seen** a vaccine that would allow a 12-year-old to override parental consent.

After all the vaccines I listed above, **I have never seen a vaccine like this one**...It's a powerful vaccine! **It does all these things except IMMUNIZATION**. If we still need a booster dose after we are fully vaccinated, and we still need to get a negative test after we are fully vaccinated, and we still need to wear a mask after we are fully vaccinated, and can still be hospitalized after we have been fully vaccinated, **it's time for us to admit that we've been completely deceived**.

Watchdog Group UnCOVERS \$350 Million in Secret Payments to Fauci, Collins, Others at NIH

Between 2010 and 2020, pharmaceutical companies and others paid an estimated \$350 million in "royalties" to the National Institutes of Health (NIH) and hundreds of its scientists, including the agency's recently departed director, **Dr. Francis Collins**, and **Dr. Anthony Fauci**, according to the nonprofit government watchdog group **Open the Books**. Its CEO Adam Andrzejewski told reporters that "We now know that there are 1,675 scientists that received payments during the period." They found that Collins received 14 payments and Fauci received 23 payments.

Andrzejewski explained why: the royalty payments are given "When an NIH employee makes a discovery in their official capacity, the NIH owns the rights to any resulting patent....Employees are listed as inventors on the patents and receive a share of the royalties obtained through any licensing, or 'technology transfer,' of their inventions."

But the question remains, why the secrecy? Who are the companies paying these massive sums? And are these payments in effect bribes for favorable treatment by these agencies that are allegedly guarding the public health? And most important did these payments and the scientists that received them play any role in the corrupted process that forced this deadly COVID-19 depopulation "vaccine" into millions of arms?

Andrzejewski said the files Open the Books is receiving through the Freedom of Information Act are heavily censored. "We don't know the payment amount to the scientist, and we don't know the name of the third-party payer, all of that is being redacted."

"We believe there is an unholy conflict of interest inherent at NIH," he said.

Fauci and Collins. If the payments are royalties and not bribes, why the secrecy?

Missouri Bill Protects Doctors If They Prescribe Medicines That Treat COVID-19

Missouri lawmakers passed legislation that prevents state licensing boards from disciplining doctors who prescribe ivermectin and hydroxychloroquine.

HB 2149 also bars pharmacists from questioning doctors or disputing patients regarding the usage of such drugs and their efficacy. The bill passed the House by a vote of 130–4 and now heads to Gov. Mike Parson to be potentially signed into law. The bill reads:

The board shall not deny, revoke, or suspend, or otherwise take any disciplinary action against [physicians] due to the lawful dispensing, distributing, or selling of ivermectin or hydroxychloroquine for human use in accordance with prescriber directions.

22 countries have approved the use of ivermectin with effective results in treating "COVID-19," though U.S. "medical authorities" are concerned that a successful treatment will cut deeply into the profits they have amassed from their deadly depopulating "vaccine."

The Honorable Minister Louis Farrakhan

Who is Satan? How would you recognize someone who deceived the whole world? This Satan is so powerful all of the media is bowing to Satan's plan. You won't even permit people that have an opposing view to speak on air. You don't want us on your television screens. You want us off of social media. And now you are telling my poor Black brothers and sisters that they should hurry and get the vaccines. You mock the Reverend Jim Jones and the mass suicide of his followers in Jonestown in Guyana in 1978 where people drank poisoned Kool-Aid.

This vaccine is the biggest dose of Kool-Aid that the enemy has ever offered. It is death itself created in what you call "Warp Speed." You know anything that's "warped" is misshaped. Anything that's warped is crooked. You were rushing so fast to get something out and bypassing normal steps in a true vaccine.

Now God is going to turn your vaccine into death in a hurry. Mark my words by the Help of God. Since you love to take the vaccine, then eat death. You think you're running from death and I'm inviting you to death. The Man of God is not inviting you to death. I'm inviting you to life. I represent Christ.

The Final Call, March 9, 2021

Trust the "Doctors"? History of Medical Racism & Savagery

The alleged "father of gynecology" **James Marion Sims** practiced his surgical technique on enslaved Black women without anesthesia. Between 1845 and 1849, three Black women—**Anarcha**, **Lucy**, and **Betsey**—each underwent up to thirty operations that were so horrifically painful that Sims's assistants "could not stomach their bone-chilling shrieks." The women themselves were forced to take turns restraining each other as Sims cut into their bodies.

Statue of Sims in New York's Central Park, removed in 2018 after protests.

The COVID-19 VACCINE: "We Have No RIGHT to Trust Them."

2

“How could we let the former colonial and slave master bring in vaccines for our people and we don't have scientists or laboratories to look at this and test it to see if it is what's on the label?”

—The Honorable Minister Louis Farrakhan

Killing the Elderly: Nursing Home Chain Has Highest COVID Death Rate

Most Americans Don't Want Those Shots

Bill Gates Admits Damage to Black Children

An investigation by *USA Today* found that **Trilogy Health Services**, one of the nation's largest nursing home chains, was the most dangerous place for a senior citizen to be during the “COVID-19” pandemic.

When the death toll was made known by *USA Today*, Trilogy, which operates homes in four states—Indiana, Kentucky, Michigan and Ohio—simply altered their data and cut their death count by nearly half. Trilogy originally reported 772 deaths at 113 facilities from October 2020 through February 2021, far higher than any other nursing home chain. *USA Today* reported in March that

“Deaths across a scattering of Midwestern nursing homes began surging around Thanksgiving. By Valentine's Day last winter, the death toll had climbed into the hundreds. [Our] investigation has traced the casualties back to one nursing home chain, Trilogy Health Services, owned by a real estate venture with a new business plan for the cutthroat world of eldercare....This nursing home chain stood out for nationally high death rates as pandemic peaked.”

The investigation also revealed that eldercare facilities were allowed to charge a higher rate for people with “COVID-19” who were treated at the nursing home instead of being transferred to a hospital. Government agencies charged with oversight of nursing homes appeared to be AWOL as the death count mounted.

As many as one third of all deaths attributed to “COVID-19” have occurred in nursing homes, a fact that has led some to speculate that the elderly were actually targeted for depopulation by a corrupt healthcare system that could no longer afford the high cost of their care.

According to reports, from 700 to 800 covid-related wrongful death lawsuits have been filed across the health care industry.

An analysis by **Dr. Meryl Nass** explains Americans' refusal to continue to line up for the depopulation shots that are now shown to have NO health value at all.

“257.6 million (of a total 334 million Americans) got at least one dose of vaccine....It seems like the vast majority of Americans went along with the vaccine program. But Not for Long. A surprising 15% of the initially vaccinated (and 11% of all Americans) never went back for their second shot. That is huge. There is no other vaccine where such a high percentage fails to complete a two dose series. So if you add together the 18% who refused any shot and the 11% (of all Americans) who refused to complete the initial series, you are up to 29% vaccine refusers and ex-vaxxers who did not get ‘fully vaccinated,’ using CDC's terminology.

“...36% of Americans took the initial series and refused the booster. Add 36% to 18% who refused all, and add 11% who refused the second shot and now you have 65% of the country that said ‘No more!’”

“...It looks like Americans are not so dumb after all. Despite two years of continuous propaganda, and unprecedented threats of employment and educational loss if unvaccinated, Americans are saying, ‘Enough.’ They have stopped queuing up at vaccine clinics, many of which are now closed.

“...Information coming from the UK and other places that vaccination did not prevent deaths or hospitalizations, not to mention cases and spread, has gotten out via the bush telegraph. People were able to distinguish the truth from fake news.”

The world's foremost Depopulator admits his school closing “policies” caused extraordinary damage to Black children.

In a recent interview on CNN **Bill Gates**—who has absolutely no medical degree or training, yet has bought his way into control of the world's medical establishment—admitted that children were at low risk from “COVID-19,” and that prolonged school shutdowns created a deep “learning deficit.”

“There's a lot of uncertainty about school shutdowns. To this day, there are still arguments about how many cases that avoided....It's pretty clear because young people don't get sick from the disease very often, that we probably, if we knew everything that we know today, we would have shut schools a lot less than we did during this pandemic....K-12, we have a learning deficit that will take us a long time to erase that, and sadly, it's a deficit where the inner city is where it's almost two years. Suburban schools less, private schools—in some cases like my kids—almost no deficit at all.”

Dr. Meryl Nass: Americans Are Rejecting Injections

The Point of Masks: To Cause Alarm

Science journalist **Laurie Garrett** has been a leading voice promoting draconian COVID mandates for the last two years—especially masks. In a video that has resurfaced from the **National Academy of Medicine in 2018**, Garrett gives us the real rationale for mask mandates:

Laurie Garrett

“There's only a couple of countries that have ever really done large-scale studies to try and figure out what might work. Japan, it may not surprise you, is one of them. In one of their large studies they basically showed that ... it seemed like the major efficacy of a mask is that it causes alarm in the other person and so you stay away from each other. And that's what I think happened with SARS. When I was in the SARS epidemic I saw everywhere all over Asia people started wearing these masks, and it is alarming, when you walk down the street and everyone coming toward you has a mask on, you definitely do social distancing, you definitely—it's just a gut thing. But did the mask really help them? Did the mask keep the virus out? Almost certainly not. If the virus was around their face, the mask would not have made a difference.”

History of Black Sterilization: History is Best Qualified

Decades before Adolf Hitler came to power in Germany, American whites embraced eugenics, the pseudo-scientific belief in the need to genetically engineer human beings to form a superior society, and to weed out “undesirables” or “depopulate” humanity by targeting the “unfit” for elimination. In 1907—when Hitler was just 18 years old—Indiana passed the world's first law authorizing the state to force involuntary sterilizations.

Ultimately, thirty-three states enacted eugenics-based laws in the 20th century, under which 60,000 Americans were forcibly sterilized, thousands were barred from marriage, and thousands were forced into segregated “colonies.” The victims of these government-sanctioned sterilization policies were disproportionately poor, mentally disabled, American Indian, Black, or other non-white people.
