Moderna CEO Laments: 'PEOPLE DON'T WANT THE VACCINES'

“So, don’t take the vaccines. There are 14 therapies that are in the world today that we can use to fight against the COVID virus.” –The Criterion, The Honorable Minister Louis Farrakhan, July 4, 2020

On May 4, 2022, the FDA placed strict limits on Johnson & Johnson’s Covid-19 vaccine due to risk of blood clotting. On May 25, 2022, Stéphane Bancel, CEO of Moderna, lamented during a panel discussion at the World Economic Forum (WEF), “It’s sad to say, I’m in the process of throwing 30 million doses into the garbage, because nobody wants them.”

Bancel then elaborated on outreach efforts the pharmaceutical giant was making to “every country.” This included making rounds to all the embassies in Washington, D.C., entreating governments to distribute the excess shots to their citizens. Their efforts failed. Sadly, for Moderna, he concluded, “nobody wants to take them.” Bancel further explained: “Moderna has three billion doses annual capacity, Pfizer has four billion doses—that’s seven billion doses—and the Chinese don’t want the vaccines with

mRNA. So, if you just take the, just the Chinese population out, you have more than a dose per person, and as we just discussed, the issue in many countries is people don’t want vaccines ... In the U.S., people don’t want vaccines... Around the world, we have a lot of people who don’t want the vaccine.”

White Americans, along with Black people in America, have finally awakened to the fact that they have been lied to by their government and are dying from these death shots that their government forced on them; death shots they paid Big Pharma billions to develop and produce; death shots their government gave Big Pharma blanket protection from. These companies have no liability for the over one million deaths and injuries caused so far by these experimental shots.

The Honorable Minister Louis Farrakhan on July 4, 2020, in “The Criterion,” issued a warning from Allah (God) far in advance of the deployment of these so-called vaccines. He called them “death” and told the people of efforts to force them to take the jab: “You only have this one life. Fight like hell to keep it and fight like hell to destroy those whose heart and mind is to destroy you and take your life from you.” He specifically warned the African leaders to not allow these shots in their countries. Much to the chagrin of Bill Gates and other leaders of the U.S. Global Depopulation

Agenda, the vast majority of Black Africans did not take the shots.

Minister Farrakhan has warned the world for decades about America’s Depopulation Agenda but was accused of being an “alarmist” and spreading

IMPORTANT INFORMATION ON IVERMECTIN

—There was an overwhelming response to the July 20th article on Ivermectin, a safe, inexpensive medicine which has proven extremely effective in treating Covid-19. It can only be given by prescription. In response to numerous requests for information on how to obtain Ivermectin, we are providing the website which gives a nationwide list of physicians who will prescribe it. “conspiracy theories.” However, as long as white people in America thought that the 3 billion people that Henry Kissinger and his ilk wanted to be culled were the darker people of the world, they ignored Minister Farrakhan’s warnings. By the time the pharmaceutical companies rolled out the shots, Black Africa rejected them, and Black Americans were resistant to the point the media labelled us “hesitant.” But many white Americans and Europeans jumped at the opportunity to be injected and unwittingly became the largest part of this vast, wicked experiment. Israel jumped ahead of the pack and became one of the most vaccinated countries in the world, only later to find out that the shots were neither safe nor effective. In fact, they are extremely dangerous: data from Israel is showing that the shots themselves enhance the possibility of being infected with new strains of the “virus” that causes COVID, while at the same time producing heart failure among the youth.

Minister Farrakhan warned the world in advance about these shots being death itself. His research team devoted an entire section of The Final Call Newspaper to spreading the Truth about the virus and the vaccine and offering ways to combat the virus naturally. The government’s own data (VAERS) on deaths and injuries from these shots are included in this weekly special section entitled, **“COVID 19 and the U.S. Policy of Depopulation.”** The death toll from taking these COVID shots is now over 28,000 and serious injuries are reported at over 1.2 million Americans. Yet the government is still pushing these shots to its citizens and even trying to figure out a way to shoot up all of America’s infants and children with this experimental “gene therapy”.

President Trump, when he was in office, promised to force Americans to take these experimental shots once they were produced, using taxpayers’ money shoveled through the Defense Department to the drug industries. Big Pharma was subsidized with billions of dollars of free money to produce these

death shots. Once they were completed, the government turned around and spent billions of dollars more to purchase the “vaccine” of giving them “free of charge” to the unsuspecting public.

After Minister Farrakhan announced that the Nation of Islam would fight anybody trying to shoot us up with this poison, the “deep state” had to get rid of Trump and put in “smiling” Joe Biden to coax Black people to take these shots. He even promised to relieve \$4 billion dollars of debt held by minorities and Black farmers as a part of a COVID stimulus package. However, once he got in office, still smiling, a group of white farmers went to court to block Black farmers from the debt relief that they deserved because much of the debt was held by the USDA. That agency has a long history of discriminatory practices that negatively affect Black farmers. President Biden did not step in to override these white farmers; nor did he administer debt relief to Black farmers.

The energy these white farmers expended to block Black farmers from getting justice will be repaid by Bill Gates and his crew as they usher in a world of fake foods to replace food produced by these white farmers. Gates is financially supporting the development of Fake Meat, Fake Milk, Fake Human Breast Milk, and Fake Vegetables grown in huge aquaponic manufacturing plants spiked with DNA-altering drugs.

Moderna CEO Bancel’s announcement of the near-universal refusal of his company’s poison shots will have a negative impact on their New World Order Fake Food World. The so-called vaccines were intended to lead the world to “Vaccine Passports”, allowing the West to implement a more sophisticated “Social Credit System” than China’s model, which dominates 1.4 billion of her citizens. Bill Gates has already patented his version of what was prophesized in **Revelations 13:16-18:**

16. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

17. And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

18. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

A patent was granted to Gates’ Microsoft Technology Licensing, LLC, on March 26, 2020, for technology that hooks us up to a “cloud” and takes our money electronically if we misbehave. That patent has an appropriately satanic number: **WO/2020/060606**.

In common language, Microsoft will use your 5G smartphone to relay everything about your activities in real time and send it up to the “cloud.” If your “body activity data is verified,” i.e., you behave the way you are supposed to behave, they will pay you in the new virtual money known as “cryptocurrency.”

Issued by the Central Bank, this digital currency is already in use and will soon completely replace hard cash. If you act in a way that is a problem, they will take away your “cryptomoney.” This is all run by Bill Gates’ nameless, faceless computers. The plan was for our body activity, even our emotions, to be tracked with a very small biosensor implanted via a shot, possibly **disguised as a vaccine**. But now the ‘jig’ is up on these so-called vaccines. **The people don't want them.** The people are rising up against their once-hidden, now-exposed oppressors and the government officials who have sold them out to billionaire manipulators of economies, countries, and now human DNA. The Bill Gateses, Henry Kissingers, Klaus Schwabs and numerous other satanic minds who have planned a Genetically Modified World with a greatly reduced population had better check their rearview mirror. The people—by the Help of Allah (God) through His Servant—are moving in on them with their own version of **“gain of function.”**

"Before the vaccine was made, I warned us in the Name of Allah that this was a death plot....The way to get rid of two to three billion people [is] to offer you a vaccine."

—The Honorable Minister Louis Farrakhan, Swan Song

Deaths, Injuries and Waning Efficacy: The Latest Bad News on COVID Vaccines

Children's Health Defense reports that "Considering the mounting evidence of adverse effects and lack of effectiveness, some physicians and health agencies are calling for the immediate withdrawal of the COVID-19 vaccines."

An astounding study published in *Scientific Reports* further revealed that calls to Israel's National Emergency Medical Services (EMS) for cardiac arrest and acute coronary syndrome increased more than 25% among 16- to 39-year-olds from January 2021 to May 2021, compared to the same time period in 2019 and 2020.

The **U.S. Food and Drug Administration (FDA)** and **Pfizer** attempted to hide COVID-19 shot clinical trial data for 75 years. Now that a lawsuit forced the FDA to release thousands of the documents, data about what they were trying to hide is coming out. Among the revelations is evidence that Pfizer deliberately excluded pregnant women from COVID-19 shot trials. So how did they make the recommendation that the shots are safe and effective for pregnant women? It was based on a 42-day study involving 44 rats.

According to investigative author **Naomi Wolf**: "It looks to me — this is not an overstatement from what I've seen — that this was a clinical trial that by August 2021, Pfizer and the FDA knew was failed; the vaccines were not safe and effective." They knew "[t]hat they weren't working. That the efficacy was waning ... and that they were seriously dangerous. And they rolled it out anyway."

DEADLY human radiation experiments in which... Blacks, Jews, and... died a horrible death

Between 1960 and 1972, Jewish doctor **Eugene Saenger** of the **University of Cincinnati** conducted Nazi-like radiation experiments on more than 200 cancer patients without their consent, 150 of whom were Black. He exposed each of them to the equivalent of 20,000 X-rays.

According to a journalist, "Saenger deliberately injected hundreds of people with potentially lethal doses of radiation, knowing that most of them would die rather quickly....At least 89 people are acknowledged to have died due to Saenger's treatment, although the number is likely well above 200."

The COVID-19 VACCINE: "We Have No RIGHT to Trust Them."

What to do with all these useless people?

"...And this time if you are not part of the revolution fast enough, then you probably will become extinct. So, once you learn to produce bodies and brains and minds, the cheap labor in Africa or Asia or wherever, it simply counts for nothing. The biggest question in maybe economics or politics in the coming decades will be what to do with all these useless people?...The problem is more boredom and what to do with them and how to find some sense of meaning in life since they will be basically useless, worthless. My best guess at present is a combination of drugs and computer games."

Plandemic creates new billionaire every 30 hours — While Extreme Poverty Explodes

A new **Oxfam International** study, "Profiting from Pain," calculates that for every new billionaire created during the plandemic—one every 30 hours—nearly a million people could be pushed into extreme poverty at the same rate. For the new billionaires, they write, "the pandemic and now the steep increases in food and energy prices have, simply put, been a bonanza for them. Meanwhile, decades of progress on extreme poverty are now in reverse and millions of people are facing impossible rises in the cost of simply staying alive."

573 people became new billionaires during the "pandemic," at the rate of one every 30 hours, while at the same time "We expect this year that 263 million more people will crash into extreme poverty, at a rate of a million people every 33 hours."

"The super-rich have rigged the system with impunity for decades and they are now reaping the benefits. They have seized a shocking amount of the world's wealth as a result of privatization and monopolies, gutting regulation and workers' rights while stashing their cash in tax havens—all with the complicity of governments," said Oxfam.

The world's ten richest men own more wealth than the bottom 40 percent of humanity, 3.1 billion people. The richest 20 billionaires are worth more than the entire GDP of Sub-Saharan Africa.

A worker in the bottom 50 percent would have to work for 112 years to earn what a person in the top 1 percent gets in a single year.

The "pandemic" has created 40 new pharma billionaires. Pharmaceutical corporations like **Moderna** and **Pfizer** are making a \$1,000 profit every second just from their monopoly control of the COVID-19 vaccine, despite its development having been supported by billions of dollars in public investments. They are charging governments up to 24 times more than the potential cost of generic production.

Moderna 'Throwing 30 Million Doses in the Garbage,' CEO Says

The CEO of **Moderna**, the makers of the toxic waste they call "vaccines," said the company is having to "throw away" millions of doses because "nobody wants them."

Stéphane Bancel made the comments at the **World Economic Forum** meeting in Davos, and noted his concerns over the lack of people getting vaccinated and declining to get boosters.

"It's sad to say, I'm in the process of throwing 30 million doses in the garbage because nobody wants them. We have a big demand problem....We right now have governments—we tried to contact...through the embassies in Washington. Every country and nobody wants to take them....The issue in many countries is that people don't want vaccines."

A string of European countries have found themselves stuck with vaccines that they simply cannot use because of a lack of demand, while their Ukraine war is depleting vaccine budgets. Those nations are now looking to renegotiate their vaccine contracts with suppliers that could grant them the right to "re-phase, suspend, or cancel altogether vaccine deliveries..."

"How could we let the former colonial and slave master bring in vaccines for our people and we don't have scientists or laboratories to look at this and test it to see if it is what's on the label?"

Is Humanity being purposely poisoned as part of a Depopulation Agenda?

According to **Mercola.com**, "In 1992, researchers published data showing the quality of sperm counts in men had been cut nearly in half over the previous 50 years. A 2017 systematic review confirmed this trend, showing a 50% to 60% drop in total sperm count among men in North America, Europe, Australia and New Zealand between 1973 and 2011.

"Testosterone has also declined in tandem with lower sperm counts, while miscarriage rates among women and erectile dysfunction among men have been steadily rising. We can rule out genetics as the cause, because the decline in sperm count is simply too rapid. That leaves us with environmental causes [that] can be broadly divided into two broad categories: lifestyle and chemicals."

Are Humans Going Extinct?

Dr. Shanna H. Swan, a leading environmental and reproductive epidemiologist, published the 2017 report showing a 50% to 60% drop in total sperm count. Dr. Swan refers to this shocking 39-year decline as "the 1% effect," meaning the cumulative effect that an annual change of just 1% has over time.

Dr. Joseph Mercola observes: "If these trends continue, and there's no indication that they won't, in the not-so-distant future, we'll be looking at a male population that is completely infertile. At that point, the human population will become extinct."

Depopulation through forced vaccination

This is an excerpt from the original article written by Rachel Windeer and published in The Sovereign Independent in June 2011.

Vaccines are a fraud; pure and simple! The historical record proves this for anyone with a little patience and the courage to investigate the facts for themselves, and it does take courage, especially for those in the medical profession whose careers will be at risk if they dare expose this danger to our children. It also shatters their illusions that they're part of an organisation which is far from beneficial to those they believe they're protecting from illness. However, their Hippocratic Oath should compel them to investigate such wild claims put out by pharmaceutical giants and their drug dealer sales representatives instead of taking the word of an industry well known as being utterly corrupt and ruthless in its business practices.

...This brings us to the real reasons for vaccinations. I'm not even going to prove to readers that they don't work. I'll simply urge you to look up the historical record. One simple example is the demise of measles.

The measles death rate had declined by 98% from 1915-1958 prior to any vaccination being introduced. In 1988 and 1989, 69% and 89% for measles cases in

American school-aged children had been vaccinated. In 1995, 56% of all measles cases in America were vaccinated.

These figures come from medical journals. Those 3 simple examples prove that unvaccinated children are less likely to contract measles and that the vaccine was useless. Look that up for yourself. All other vaccine claims that they've cured or eliminated disease follow a similar pattern. Better hygiene, clean water and good healthy food were the causes of the decline and any doctor worth his smelling salts should know that. If they don't then they are misinformed on a grand scale or they're in complete denial.

Therein lies the problem. Why have doctors been 'indoctrinated' to believe that vaccines are the sacred cow of medicine when the historical record clearly shows that they are virtually useless?

Hold onto your sanity because I have some bad news for you.

The real reason for vaccinations, apart from the massive profits to the manufacturers, is to ensure that you get sick throughout your life, again not only to enrich these same corporations that made you sick, but to ensure that many, if not all of you, die before you ever receive your pension and when you are no longer any of use to society. That's why they want you retiring later in life and are forcing you through economic terrorism to work longer regardless of your age or health. They literally want to work you to death. If you don't work you will be classed as a burden to society, a financial cost which society has to bear, and therefore you will be stigmatised as a 'useless eater'; a consumer of resources needed for the rest of society. When Big Pharma can no longer profit from the illness they gave you, you will be left to die.

This is the depopulation agenda promoted under the United Nations Division of Population under the Department of Economic and Social Affairs. We only need look at Africa, the nation which the United Nations has said themselves, could feed the world. Why then are millions in Africa starving to death on that continent? It's meant to be that way folks.

All of us at one time or another have been led to believe in the efficacy of vaccines. I was one of them and had my child vaccinated nearly 35 years ago. I wouldn't even dream of it now. I think it's safe to say that we're all aware of the real pandemic, as opposed to the fake pandemics of the past. It's called 'CANCER'. Autism is also at crisis (pandemic) levels all across the world where mass vaccination programs exist.

Prior to mass vaccination, cancers were extremely

rare, as in almost nonexistent. Today in the western, so called developed world, we face a crisis of cancer to the extent that between one in five to one in two will suffer, many dying, from one form of cancer or another. What's happened to cause this pandemic?

We only have to look back at the Jonas Salk polio vaccine that went around the world in the full knowledge that it contained the SV40 virus which had no other purpose than causing cancer; yet it was pushed as a vaccine for polio when, as with measles, polio was well in decline prior to any vaccine due to the same factors.

Enter stage right at the TED 2010 conference, Mr. Bill Gates, head of Microsoft, the biggest computer firm on the planet. What has Bill Gates to do with vaccines you're wondering?

See the quote in the image above. Those are his exact words. Are you beginning to get the picture?

The globalist elite care nothing for humanity; ordinary men, women and children must be eliminated in their delusional minds to ensure that their superior types go into the future with the best of breeding being the only criteria worthy of saving. You and I are no longer required and that is why we are seeing the loss of our economy, our wealth, our health, our happiness and ultimately, our lives.

18 Major Airlines Face Lawsuits Over COVID Vaccine Mandates

The lawyer who filed a lawsuit against **Atlas Air** said he plans to file similar lawsuits against the **Federal Aviation Administration (FAA)**, the **U.S. Department of Transportation (DOT)** and 18 major airlines over their COVID-19 vaccine mandates.

California attorney **John Pierce** alleges the mandates "imposed by these agencies on the airlines' employees infringed on their constitutional, religious, and medical liberties," *The Epoch Times* reported.

Pierce filed the first lawsuit on behalf of the Atlas Air employees and **U.S. Freedom Flyers (USFF)**, an advocacy group opposing airline vaccine and mask mandates. Atlas Air is one of the largest air cargo carriers in the aviation industry.

The lawsuit has the participation of more than 100 plaintiffs, most of whom are unvaccinated pilots and flight attendants. According to the lawsuit:

"Fundamentally, this case is about whether Americans should be required to choose between their livelihoods and being coerced into taking an experimental, dangerous medical treatment."
